

# ABOUT ONE ENERGY

<p><b>1 MEET THE TEAM</b></p>	<p><b>2 CAPABILITIES</b></p>	<p><b>3 VISION AND THESIS</b></p>
<p>Allow us to introduce ourselves.</p>	<p>Find out what we can do – in more detail than you asked for. You did ask, right?</p>	<p>We think we can help invent the customer-centric power grid of the future.</p>
<p><b>4 BUILDING UTILITY 2.0</b></p>	<p><b>5 VALUES</b></p>	<p><b>6 SAFETY</b></p>
<p>Learn how One Energy is building the next-generation utility.</p>	<p>Values should go beyond a banner in your entranceway. At One Energy, our values are a way of life. See what we care about.</p>	<p>Being this safe is hard work. We're sharing everything we've learned and developed because safety should not be proprietary.</p>
<p><b>7 OUR FLEET'S PERFORMANCE</b></p>		<p><b>8 CONTACT US</b></p>
<p>Yes, really. We're sharing our internal reports on how our projects actually perform compared to expectations. We dare others to do the same.</p>		<p>Find our contact information, driving directions, and what to expect when visiting us.</p>
